

Enter the
IDDDT
Lottery
now!

The IDDDT Lottery helps to fund the provision of FREE IDDDT booklets and leaflets, which means that information about the various aspects of diabetes is available to everyone, regardless of income. All the money that we raise through the lottery goes directly to help people with diabetes and their families.

It only costs £2.00 per month to enter the monthly draw. 60% of the total subscriptions (the prize fund) will be paid out as four cash prizes of 40%, 30%, 20% and 10% of the total prize fund.

The winners each month will be informed and details published on our website at the end of the first week of the month. The winners for the previous three months will also be published in our Newsletters, although there is the option to remain anonymous.

Playing is easy. Just fill in the standing order mandate overleaf, return the form to us and we'll enter you into our monthly draw. You are welcome to enter as many times as you like through multiple sign ups if you want to increase your chance of winning! The more people who join in, the bigger the prize!

Help us to help people with diabetes.
